So that where instalments of rates and charges are not paid on or before the date on which the instalment is due and payable:
- (i) The date on which any future instalment is due and payable is not affected; and,
- (ii) The penalty for late payment, under item 6(a) above, shall be calculated only on the amount of the outstanding instalment on a daily basis from the date on which the missed instalment became due and payable, until the date payment is made in full.
- 7. RECOVERY OF OUTSTANDING RATES AND CHARGES**
That recovery action may be instituted in respect of all rates and charges outstanding after the due date and any costs of such recovery action be added to the outstanding amount.
- If rates are in arrears by at least six (6) months, Council may apply to the appropriate registration authority for registration of the charge over the land to which the charge relates.
