## **8. GENERAL BUSINESS**

### **8.1 Blatherskite Park – Lot 5687, 25 Commonage Road (EDP18/0006)**

The CEO received an email from the President of the NT Caravan Parks Association (NTCPA) with regard to the current rate charges levied on the property and the commercial nature of the use as caravan park on the site. Council had initially shared its concerns and objected to the application in line with the NTCPA due to impacts it would have on their businesses. The site was previously used for overflow parking during peak periods. The Minister approved its use as proposed through EDP18/0006 for up to 30 spaces despite the concerns.

Discussion ensued with regard to the current chargeable rates and whether this correlates with the Act.

The committee concurred that the park be charged commercial rates if applicable under the Act.

**ACTION:**

Manager Developments to check if the area of the site is chargeable for commercial rates under the Act.

**8.2 Todd Mall Feedback**

It was suggested that Council look into opening the southern end of the mall in order to assist businesses operating in the Todd Mall. This would allow traffic to be redirected in the Todd Mall and create more life to the area.

It was advised that Council consider approaching the businesses to obtain feedback in the new year.

**8.3 MyAlice Scheme**

Only 15 businesses had registered on Friday to the scheme. Elected Members are encouraged to talk to local businesses to sign up to the scheme.

**8.4 Anzac Walkway Sign**

A concern was raised about the condition of the Anzac walkway signage.

**ACTION:**

Director Technical Services to look into the replacement of the signage as it has deteriorated.
