

Learn to Swim

Emergency Action Plan (E.A.P)

Please follow the Emergency Action Plan (E.A.P) below in the event of an emergency during your child's swimming lesson.

After 3 whistles heard or asked by Lifeguard to evacuate

Swimming Instructor will remove class from water
Children are to stay with their swimming instructor and evacuate as a class immediately to the evacuation point (as directed by staff)
You do not have time to collect your belongings

Continue to follow directions of Lifeguard/Centre staff
Stay with your child/ren's swimming instructor and class

Upon being given "All Clear" by Senior Lifeguard you may re-enter the centre and lessons will continue

Please remember that all parents are to remain at the centre during their child/ren's swimming lessons in case there is an emergency.
