

## Public Access Areas at the Regional Waste Management Facility

OPEN 7 DAYS, 8am – 4pm\*

### There is much that CAN be recycled in Alice Springs

The Residential Recycling Directory is available from Council's website and lists services, locations and prices (where applicable) for local recycling options.

#### Regional Waste Management Facility

Commonage Road

Open 7 days, 8am-4pm

8950 4340

All of the following items can be recycled at Council's Regional Waste Management Facility:

- Cardboard
- Glass bottles
- Green waste
- Aluminium & steel cans
- Household & car batteries
- E-waste

Items dropped-off must be separated, as much as possible, into the separate cages at the RWMF's Transfer Station in order to be recycled.

#### Rediscovery Centre

Commonage Road

Open weekdays 8am-4pm,

and weekends 9.30am-2.30pm

8950 4340

Visit Council's Rediscovery Centre for all pre-loved and reusable items still in working order.

The Rediscovery Centre also offers free drop-off for:

- Household items & furniture
- Building materials
- Toys & books

Look for the drop-off zone at the side of the Rediscovery Centre.

### What can't be recycled in Alice Springs?

Plastics that are not already covered by the Container Deposit Scheme cannot be recycled at this stage.

Such plastics include unflavoured (regular) milk bottles, yoghurt and margarine cartons, cordial bottles and other household plastics.

Currently, the RWMF is unable to recycle paper, though flattened cardboard is accepted.

#### Chemical Disposal Centre

Report to weighbridge staff for details, or call 8950 4340 prior to arrival.

Drop-off available every Friday between 8am-3pm, and the first Saturday of the month.
